

**AN ORDINANCE FOR THE IMPLEMENTATION AND MAINTENANCE OF THE  
CALLOWAY COUNTY ENHANCED 911 EMERGENCY RESPONSE SYSTEM**

Be it ordained by the Fiscal Court for Calloway County, Kentucky, and it is hereby  
ordained by said court as follows:

**1. NEW STRUCTURES AND MOBILE HOMES**

(a) All persons, firms, corporations and other legal entities upon completing construction of new structures or locating or relocating mobile homes in Calloway County, Kentucky, shall from and after this date obtain an Address Notification Form, duly issued by the addressing authority.

(b) Applicants shall apply for the Address Notification Form with the Judge Executives Office.

(c) Within seven working days of the filing of the Address Notification Form, (authority) shall assign a number and address to the structure, and furnish the applicant with a copy to present to the United States Postal Service.

(Authority) shall keep a record of all numbers and addresses assigned.

**2. POSTING OF DESIGNATED NUMBERS**

The owner or occupant or person in charge of any house, building, mobile home or other structure to which a number has been assigned.

(a) Shall within 30 days after notification of such number assignment, affix the number in a conspicuous manner, in a conspicuous place.

(b) Shall within the same 30 days remove any different number which might be mistaken for or confused with the number assigned to said structure by the issuing authority.

(c) Each principal building or structure shall display the number assigned to the frontage on which the front entrance is located. In case the principal building or structure is occupied by more than one business or family dwelling unit, each separate front entrance must display a separate number.

(d) Numerals indicating the official numbers for each principal building, or each front entrance to such building, shall be posted in a manner as to be legible and distinguishable from the street or road on which the property is located, with numbers applied, of not less than three inches (3") in height.

(e) Mail boxes shall be marked with the house number.

(f) If the structure is not visible from the street or road on which it is located and no mail box is beside the driveway leading to the structure, a sign or number post shall be erected to display the number. The number may be displayed either vertically from the top down or horizontally.

3. Official Calloway County Street/Road Signs (white letters on green background) will be used to mark only those streets/roads that have been legally named by the Fiscal Court. Signs used to identify private drives will not be allowed to look like official county signs. This will prevent confusion which could keep emergency personnel from reaching other residents in the shortest possible time.

4. In the event that the owner or occupant or person in charge of any house or building refuses to comply with the terms of this ordinance by failing to affix the number assigned within thirty (30) days after notification, or by failing within said period of thirty (30) days to remove any old numbers affixed to such house, or house entrance, or elsewhere, which may be confused with the number assigned thereto, said owner or occupant may be punished by a fine of not less than (5) dollars for every day that the situation is not rectified.

5. This ordinance is limited to the structures in Calloway County, Kentucky, lying outside the corporate limits of the City of Murray. Structures within the corporate limits of the City of Murray shall be controlled by the ordinances and regulations of the City of Murray.

6. This ordinance shall take effect and be in full force and effect from and after its passage.

7. All ordinances or parts of ordinances in conflict with this ordinance are hereby repealed.

8. The Clerk of the Court is directed to publish this ordinance in the Murray Ledger & Times Newspaper one time, to obtain proof of publication thereof and to file said proof in the minutes of this Court.
